## Living Ball in the Western Cape

Louis Koen, our Living Ball representative in the Western Cape, had a very busy time lately. He was part of the following outreaches: He visited a Christian School's Sports day at Grabouw. Living Ball sponsored all the balls used for the soccer, rugby and netball matches.

Philidelphia Primary School was visited and the Message was shared with all the Gr 6 and 7 pupils. They were also blessed with Living Balls. At the DR Congregation Brackenfell West, Louis had the opportunity to share his testimony using the Living Ball as a tool. Noord-Eind Primary School in the Paarl and Strand High School were also visited where Louis shared his testimony. A Youth Rally at the Bergkroon Camp Site

was attended where he spoke about sport as an instrument in God's Kingdom.

Louis will also be fortunate to share at most of the Craven Weeks for rugby, taking place in July where every player will receive a Living Ball

armband.

A special thanks to Radio Tygerberg, Oom Sias Meyer, Johan van Zyl, Pieter Goosen and Johan Stiglingh from Avis Van Rental for their support and sponsorships.

## Living Ball at Atteridgeville

On National Youth Day (16 June), Living Ball Pretoria was invited by the AFM, Atteridgeville to share a message of Hope to the youth of this area.

We met up wit Malemela, the coordinator of

the AFM, and donated a few Living Balls to them for the sport events they planned for this day. Franna also shared the Gospel to them using the Living Ball as a "tool".

## A Big Thank You

Living Ball just wants to thank all our loyal supporters for their support the past years. Without your contribution Living Ball will not have been able to reach out. It is people like you that makes it possible to give hope to the hopeless.

# Kalahari Crusade

The Living Ball Team was very fortunate to be part of an Outreach to the Kalahari organized by Pastor Hannes Smit and his wife, Betsie. Four outreaches was held at Philandersbron,

Grootmier, Rietfontein Border Post and Askham.

Games were played with very enthusiastic children and the Message was also shared with

them. We were very privileged to have Erich Posthumus (The Voice Chameleon) with us.

He ministered to the children through music, dancing and voice imitations. The children of the Kalahari were blessed with Living Balls donated by a loyal supporter of Living Ball.

On the photos one can see the joy on the faces of the children.

What a blessing to take the Message to those friendly people of the Kalahari!

## Kwasizabantu, Kwazulu Natal

Living Ball was part of the Kwasizabantu Mission Youth Rally that took place in July.

The rally was attended by about 5000 children from Kwazulu Natal and the Southern Cape. The sports

day that was held was a huge success and Living Ball sponsored all the balls that was used.

These balls also went home with some of the kids and we are sure that a lot of lives will

be changed when these kids share the Good News using a Living Ball at home.

On one the photos you can see the happy children with a soccer Living Ball.

## Happy hearts in Zimbabwe

This little boy don't want to give his Living Ball back.

The St Cyprian's Primary School in Zimbabwe was blessed with Living Ball soccer and netballs. They were overwhelmed when Beulah (A missionary in Zimbabwe) arrived at the school with these balls. Some of the teachers burst into tears when she gave them the balls, because they did not have any sport balls

to practice with at the school. They stopped their school activities immediately, and started playing with the balls! Thank you for the sponsors that make it possible for Living Ball to donate balls to underprivileged

children!
