BULLETTIE RUGBY DAY AT WELKOM

Henk, a Living Ball helper in Johannesburg, teamed up with Charles, A Living Ball helper from Sasolburg, and visited the Bulletjie Rugby Day in Welkom in the Free State.

Henk had the opportunity to share the Message with the small (but brave) rugby players and their parents present.

LIVING BALL DONATES CRICKET GEAR TO PRIMARY SCHOOLS IN EERSTERUST

Living Ball had the opportunity to donate cricket gear to four Primary Schools in the Eersterust area in Pretoria. Living Ball visited the Eersterust Cricket Club where the presentation of 12 pairs of Living Ball pads and gloves took place. A big thank you to one of our loyal supporters, Paul Roos, who donated the funds to enable us to give hope to these kids.

LIVING BALL INVADES BALFOUR

Balfour is a small, but lively town on the Highveld in Mpumalanga. Four churches in Balfour took hands to make this crusade possible.

It all started when Franna and Gavin from Living Ball met up with church leaders and Head Masters of the town, which resulted in Living Ball visiting 10 schools in one day (thanks to Oom Peet and Andre), reaching about 5,000 children.

The highlight of the crusade was the sports day held on the local school's sport field where 300 children participated.

LIVINGBALL AND NG CHURCH ELDORAIGNE

I can was the theme of this camp that was organized by the Dutch Reformed Church of Eldoraigne, Pretoria, for 80 children from Danville. Living Ball played games with the children, and also shared the Gospel. This was an awesome group of children, and they were indeed a blessing to us! We also met up Koos Jacobs, one of the motivational speakers on the camp. He is also a Springbok wheelchair rugby player. He lost both his legs and his one arm in an accident at Escom. What a humbling experience to meet up with such an energetic man!

WARMBATH FOR JESUS!

A Gospel Fest was organized in Warmbath (Bela Bela) which was called:

Warmbath for Jesus (W4J). Living Ball was also present and Andre Cilliers and Gavin played Kids Games with the children. We had the opportunity to use the Living Ball sports balls to tell young and old about Jesus! Our Living Ball song was also played on the Big screen! It was awesome to see the people from Bela Bela giving their town to Jesus!
