JESUS IS ALIVE!!!

August was a very busy month for Living Ball. We traveled far and wide with the blessing of our Lord and we met new people with whom we have shared the love of our Lord and from whom we have learnt a lot. Together we build his Kingdom and trust the Lord to lead us wherever He wants us.

Manie visited De Aar in the Northern Cape on his way to Bloemfontein.

He addressed them during a Church service

and a breakfast where he shared his vision for Living Ball and the ways in which Living Ball is spreading the Word around the world. In spite of the bitter cold weather the warmth of God's love enter many people's lives. We trust that nobody was left cold from God's Love and protection.

Retha McPherson and Manie had another breakfast in Bloemfontein. With the help of M J Smit it was a

great opportunity to experience God's presence during this gathering.

Retha's topic CHOOSE LIFE was the message she shared with the people who attended. She challenged each and every one to make this very important choice allowing God to be the centre of their lives.

Living Ball Pretoria Franna Cillié

There were about 250 young people at the gathering. Two soccer players from Supersport United, Ricardo Katza and Rocco Jansen visited the children to their great delight. Ricardo gave his testimony after Franna shared a message. His testimony was communicated in such a way that everyone could understand.

Teachers and children could hear the gospel out of their sport's heroes' mouths. They were amazed that these heroes would choose Jesus. It was an example for all young kids showing that it

is worth it to serve the Lord.

The Message of the balls was prevalent and new each day as they played with these balls during breaks. We thank the Lord for every opportunity to share His Word.

Dare to decideI am going to walk in faith

We are all so afraid to step out in faith. We have to declare I am going to do what He has shown me to do. It is not your power that is going to change the situation, but God's. My decision to step out in faith moved God in on the scene. I saw that in my life, once I decided what I was going to do and set it down firm, God backed my decision.

The right, the privilege and the power to DECIDE has been left by God in the hands of men. You have the right to decide if you are going to give your whole life to Jesus or only part of it. You have the right to decide if you want His Fullness or not. God will back your decision, and will give you grace, mercy and power to fulfil your choices. God can and will do everything for you, but you have to decide! He's provided the power, His name, His blood, and yes, His Kingdom.

God will never stuff his inheritance down your throat. We all have to make the decision by ourselves; as you want the fullness or not.

The beauty of it all is not in our power. BECAUSE WE CANNOT!

He will back you as soon as you make the decision, all in His power.

There is just no devil big enough to stop you if you made the decision...

"Lord, I give you my life, my everything,

Lord, I love You, and want to surrender everything that is more important in my life than you."

Decide now; say your decision out loud! Let it be done according to your words and your faith.

God is leading us into a new direction, the part of LIFE.... Take it, receive it all by faith.

A new life for you and me!
