News letter February 2009

Mohlakamotala High School

Living Ball Pretoria joined the Jesus Film-team from NG Moreleta Church, to reach out to the children at the Mohlakamotala High School in Vaalwater, Limpopo Province.

Games were played on the soccer field, and the Good News were shared with about 250 boys and girls. They joined in the Kids Games with great enthusiasm.

Afterwards the Jesus Film was showed to these children, and later the day again to the surrounding farm workers in a fruit shed. A lot of hearts was touched and changed. Glory to God!

Peet Simonis, our Living Ball representative in Africa.

God by His grace enabled us to share the Gospel with thousands in Africa this past year. May it thrill your heart when I tell you that more than 15 000 – especially young people – turned to the Lord as a result!

LIVING BALL AND JAMES 1:27 TRUST

The vision of James 1:27 Trust is: "To multiply the care of orphans and vulnerable children in partnership with the community by mobilizing the social capital within the information society."

Website: www.james127trust.org.

"Living Ball donated some of these top quality Soccer and Netballs to the James 1:27 Trust in December 2008. The gifts were distributed at the Trust's year end Celebration Party on 6 December. Thank you for blessing our children." Helen Adendorff, Operations Manager, James 1:27 Trust

Fibber, Rosebud, Snowy and Blossom

Living Ball Pretoria launched a competition at the end of last year to name our four new Pretoria "team members", the puppets. We are using them to minister to the smaller kids who do not have the ball skills yet.

Anton van Wouw Primary School

We visited a school in Pretoria, Anton van Wouw Primary School, and shared the Message with about 800 children. We also played Kids Games with them, and they were very excited to join in the fun!

LIVING BALL AND 3D-OUTREACH:

Living Ball blessed 3D-Outreach with a few balls, and this is the feedback that we received from Michelle Arnold from 3D-Outreach Short term Missions:

"We have just returned from an amazing summer camp in Barkley West. It was extremely hot and exhausting and we had many long full days with lots to do.

We were really blessed with an amazing group of youth, and took about 350 into a local township just outside Barkley West. We did some door to door ministry, prayer walking and had an amazing time playing with the LIVING BALLS and sharing them with the children."
