EAGLES NEST SHELTER, PRETORIA

Living Ball was invited by a Cell Group to play games with children from the Eagles Nest Shelter in the North of Pretoria.

- 2 Gavin made use of the opportunity to really emphasize to the children that they are special and that Jesus loves them. When he started playing with them, one of the boys was very quiet, and did not partake in any of the conversations. After a while, he was shouting out the meanings of the four colours when Gavin asked them some questions. Something really changed in this boy's life today... Every child was blessed with a Living Ball and a present that contained essential toiletries and some stationary. Thanks to Chris and his cell group for inviting us.

**LIVING BALL PUPPETS
VISIT KWAGGASRAND PRE-
PRIMARY SCHOOL IN PRE-
TORIA WEST**

Ingrid Strydom, Head of this Pre-Primary School, invited Living Ball and the Puppets to join them for their Year End function. We used the four puppets to share the Good News with all the children from this school. It was really an awesome experience, and the inter-action with the children, was something special. Thank you for the warm welcome and the lovely snacks that Ingrid and her team prepared for us!

"SPREADING THE GOSPEL ON DUSTY SPORT FIELDS" got a new meaning when Living Ball took part in an outreach on the border of Mozambique.

We were invited by Adriaan and his team from Polokwane to join them on this outreach. We drove for an hour and a half from Skukuza to a point at the Mozambique border. On our arrival, about 80 people from a village 8 km away from the meeting point already awaited us. The Minister from the Skukuza Congregation, Ds Carl, greeted the people and we were treated with some lovely praise and worship from the locals. We invited the locals that wanted to participate in some games to climb over the gate and join us.

We really had some good fun playing with young and old as shown on the photos. We challenged 8 of the locals to use the Living Ball as a tool to share the Gospel with the group. They were each blessed with a ball to take the Good News back to their village.

Officials from the Kruger Park were present to make sure everyone went back to their own country. Big thanks to Ds Carl and Adriaan for inviting us on this awesome outreach that really touched our hearts.

Living Ball Visits Uitkoms Care Centre

Gavin and Charmaine visited the Uitkoms Care Centre for Mentally Disabled Adults in Pretoria. We went to bless the 60 residents, but instead they really blessed us! They performed some Choir Dances for us, and also prayed for us. Gavin explained the Living Ball colours to them, and played a few games with them. These people have an unconditional love for Jesus and for their fellow-man. This was an awesome experience to visit them!

Living Ball's Visit to Leeuwenhof Academy in Johannesburg

Franna and Gavin were invited by Erich Postimus to join him on an outreach to the school.

Whilst Erich ministered with music, Living Ball had the opportunity to play games with the children, and share the Good News with them.
