Living Ball/Eagle Launch!

On the 8th of June 2009, a function was held in George where most of the Rugby Clubs of the Eagles Rugby Union were present.

Manie du Toit shared his testimony and the vision of Living Ball with them.

Each Club present was blessed with ten Living Ball/Eagle rugby balls. What an awesome night where a lot of rugby administrators were together in the Name of our Lord, Jesus Christ, to spread the Message and to bring glory to Him!

Club representatives with there Living Balls!

Blue Bulls signing Living Balls!

Rugby players from the Magalieskruin Primary School in Pretoria went to a Blue Bulls training session in the week prior to the Super 14 final. (We all know what happened in the final...)

The Blue Bulls players were very friendly and autographed their Living Ball rugby balls. The team also handed over a Living Ball to Pierre Spies.

On this photo Morne Steyn is busy autographing the Living Ball. He is also wearing one of our wrist bands. A lot of professional sportsmen all over South Africa can be seen wearing our wrist bands.

Ricardo Katza at the Voortrekker Monument!

Ricardo Katza, captain of Supersport United, accompanied Franna and Gavin from Living Ball Pretoria to the Voortrekker Monument in Pretoria. They were invited by the CEO, Genl Gert Opperman. There they had the opportunity to share the Good News to all the workers from the Monument. A couple of people gave their heart to the Lord. Each person was given a Living Ball wristband, and were challenged to share the Message with someone else. On the photo is Ricardo and some of the workers .

Our newest product- Living Ball Post protectors!

We are very excited about the first Rugby post protectors that was used at the Magalieskruin Primary School in Pretoria. With these protectors we can now also reach out to the spectators at a rugby match.

On this photo is the Head Master from the school receiving the protectors from Gerhard, a parent at the school and Russell, also a parent. Our sincere thanks to this school and their parents who are supporting Living Ball in a big way. They only use the Living Ball rugby balls for their matches, and they also bless the opposing team with a Living Ball after sharing the Message with them.

INTERNATIONAL TOURNAMENT AT HOER-SKOOLO WATERKLOOF!

Over the Easter weekend, sports teams from all over South Africa, and some from Namibia and England, participated in rugby, netball and hockey. Livingball sponsored the rugby and netballs which were used in this tournament in all matches. We also had a stall where Living Ball merchandise was sold and the Gospel shared. Quite a lot of balls were taken back to England and Namibia. What a great way to reach the young and upcoming sport stars of the future!
